DOOR WITH HINGE

For frontals with cabinet mechanisms, see specific mechanism instructions for frontal attachment guidelines.

Step 1.
Insert hinge where required in holes as shown.

Step 2.
Secure hinges by tightening 2 x screws with hinge dowels attached. These are already positioned within the hinges.

Step 3.
Attach the door to cabinet, clip hinge onto hinge plate and click to secure.

Step 4.
Adjust hinge to suit. As shown below.

Step 5.
Fit cover caps to hinge.

FRONTAL HINGE ADJUSTMENT

To adjust hinge using a screwdriver, tighten or loosen as required at points 1 & 2.
Point 1 - left - right
Point 2 - side - side

To Move the hinge up/down, loosen screws A + B, manoeuvre the door, then re-tighten the screws

The top and bottom hinges MUST be adjusted to the SAME STRENGTH

To Release door Pull catch as shown, to release hinge from the hinge plate.

FRONTALS
INFINITY PLUS
Attachment Guide

Step 1.
Align door & corner post.
Join together using 2 x fixing plates (Ff) (equally spaced) on the back of both frontals.
Ensure a ¼” gap is maintained between each frontal and that they are flush on the top and bottom once fixed together.
Screw in place using 4 x ½” screws (B) per fixing plate (Ff).

Step 2.
Insert hinge where required in holes as shown.

Step 3.
Secure hinges by tightening 2 x screws with hinge dowels attached.
These are already positioned within the hinges.

Step 4.
Adjust hinge to suit.
For hinge adjustability see page 1, step 4.

MULTI-DOOR JOINING
For frontals with cabinet mechanisms, see specific mechanism instructions for frontal attachment guidelines.

Step 1.
Insert hinge where required in holes as shown.

Step 2.
Align doors & frontal toe kick (if applicable). Join together using 4 x fixing plates (FF) on the back of the frontals.

Ensure a ¼” gap is maintained between each frontal once fixed together.
Screw in place using 4 x ½” screws (B) per fixing plate (FF).

Fixing Plates

Step 3.
Secure hinges by tightening 2 x screws with hinge dowels attached. These are already positioned within the hinges.

Step 4.
Adjust hinge to suit.
For hinge adjustability see page 1, step 4.
